SUPPLEMENTARY INFORMATION: In the *Federal Register* of March 10, 2023 (88 FR 15174), FDA published a proposed rule entitled “Requirements for Tobacco Product Manufacturing Practice.” The proposed rule provided a 180-day period for submission of public comments.

The Agency has received a request for an extension of the comment period for the proposed rule. The request conveyed concern that the comment period does not allow sufficient time to develop a meaningful or thoughtful response to the proposed rule.

FDA has considered the request and is extending the comment period for the proposed rule for 30 days, until October 6, 2023. FDA believes this extension is appropriate because of the complexity of the material being posted. The Agency believes that a 30-day extension allows adequate time for interested persons to submit comments.

Dated: August 24, 2023.

Lauren K. Roth,

Associate Commissioner for Policy.
